Application for Waiver of the Foreign Residence Requirement of

Section 212(e) of the Immigration and Nationality Act

(Form I-612)

OMB No. 1615-0030

A. JUSTIFICATION:

1. The information is necessary and may be submitted only by an alien who believes that compliance with foreign residence requirements would impose exceptional hardship on his or her spouse or child who is a citizen of the United States, or a lawful permanent resident; or that returning to the country of his or her nationality or last permanent residence would subject him or her to persecution on account of race, religion, or political opinion. Certain aliens admitted to the United States as exchange visitors are subject to the foreign residence requirements of section 212(e) of the Immigration and Nationality Act (the Act). Section 212(e) of the Act also provides for a waiver of the foreign residence requirements in certain instances.
2. The data collected on this form will be used by the USCIS to determine eligibility for a waiver.
3. The use of this form currently provides the most efficient means for collecting and processing the required data. The information is entered in a database and made available to government agencies. The USCIS will conduct a study that will include a plan to determine the feasibility of electronic filing.
4. A search of the USCIS automated forms tracking system was accomplished and revealed no duplication. There is no similar data collected.

5. This collection of information does not have an impact on small businesses or other small entities.

Annual Reporting Burden

The number of respondents is estimated to be **1,300** for an annual burden hours of **433**, which is based on the stated responses at **.333** (20 minutes) per response. This is based on prior USCIS experience with the program.

Public Cost

The estimated annual public cost is **\$329,329**. This is based on the number of respondents (1,300) x 20 minutes (.333) per response x \$10 (Average hourly rate) plus the number of respondents (1,300 x fee charge of \$265).
